Instructions for Hanging

Step 1

Insert hangers into upper portion of slatwall. **Fig. 1**

Note: To ensure that the frame hangs level use two hangers placed an equal distance in from each side of the frame.

Step 2

Hangers will rest on lower portion of slatwall. **Fig. 2**

Step 3

Place UltraFrame on the hangers using the bottom channel of the top rail. **Fig. 3**

Step 4

Place UltraFrame in position on slatwall. **Fig. 4**

Step 5

Open rails, put in poster and close rails. **Fig 5**

Note: Be sure to open all four side rails gently. Excessive force may cause inside clips to unhinge.
